Oklahoma City-County Health Clinics and other Services Reopen Monday

(Oklahoma City) - The Oklahoma City-County Health Department's (OCCHD) three clinics will reopen on Monday, June 8th.

Clinic locations and times include:

The Gary Cox Partner Building, 2700 NE 63rd Street, Oklahoma City
(405) 419-4200, Monday thru Friday, 10:00 a.m. - 4:30 p.m.

Southern Oaks Health & Wellness Campus, 6728 South Hudson, Oklahoma City
(405) 419-4119, Monday thru Friday, 10:00 a.m. - 4:30 p.m.

West Health Clinic, 4330 Northwest 10th Street, Oklahoma City
(405) 419-4150, Monday thru Friday, 8:00 a.m. - 4:30 p.m.

OCCHD will continue to provide COVID-19 testing by appointment at the Northeast Regional Health and Wellness Campus parking lot and the Southern Oaks Campus Monday thru Friday from 7 a.m. to 9 a.m. Individuals needing testing can call the OCCHD triage hotline at 405-425-4489 to receive an appointment.

OCCHD's Consumer Protection Services are also open from 8:00 a.m. to 4:30 p.m. Monday-Friday.

About OCCHD

OCCHD was established in 1910 and was one of the first public health departments in the entire nation to be awarded accreditation status by the Public Health Accreditation Board. Currently, OCCHD has multiple locations around Oklahoma City. The mission of the agency is to protect health, promote wellness and prevent disease by working with the community for a healthy future.
